RE: Wellington Street Improvement Project / Port Albert Master Servicing Plan

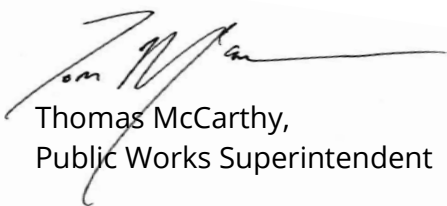

**Levy of Capital Costs**

We are providing this update to you as a property owner benefiting from the Wellington Street Improvement Project. We have now received the final costs for this project, and it is expected that, in the new year, the municipality will amend Schedule A of By-Law 53-2023. This by-law authorizes the construction of the project and outlines the estimated levying of the capital costs. The amendment will update the by-law to reflect the actual costs and revise the assessment schedule. Additionally, the amended by-law will include a new payment schedule, outlining payment instalments and available financing options for benefiting property owners, if needed.

**Municipal Contact**

The Municipal contact for this project is the Public Works Superintendent, Thomas McCarthy, contact information listed below. Follow along with the Wellington Street Improvement Project on our website at: <https://acwtownship.ca/government/projects-initiatives/wellington-street-improvements-port-albert-servicing-master-plan>

Thank-you,

Thomas McCarthy,  
Public Works Superintendent
