TOWNSHIP OF
ASHFIELD-COLBORNE-WAWANOSH

INTRODUCTION

On Thursday, October 31st, 2019, the Council and Senior Staff of the Township of Ashfield-Colborne-Wawanosh participated in an Action Planning Workshop, facilitated by Vicki Lass, Agriculture and Rural Economic Development Advisor with the Ontario Ministry of Agriculture, Food and Rural Affairs.

The following is a summary of the conclusions that were gathered during the day, with three specified Strategic Actions Items to complete.

Visioning

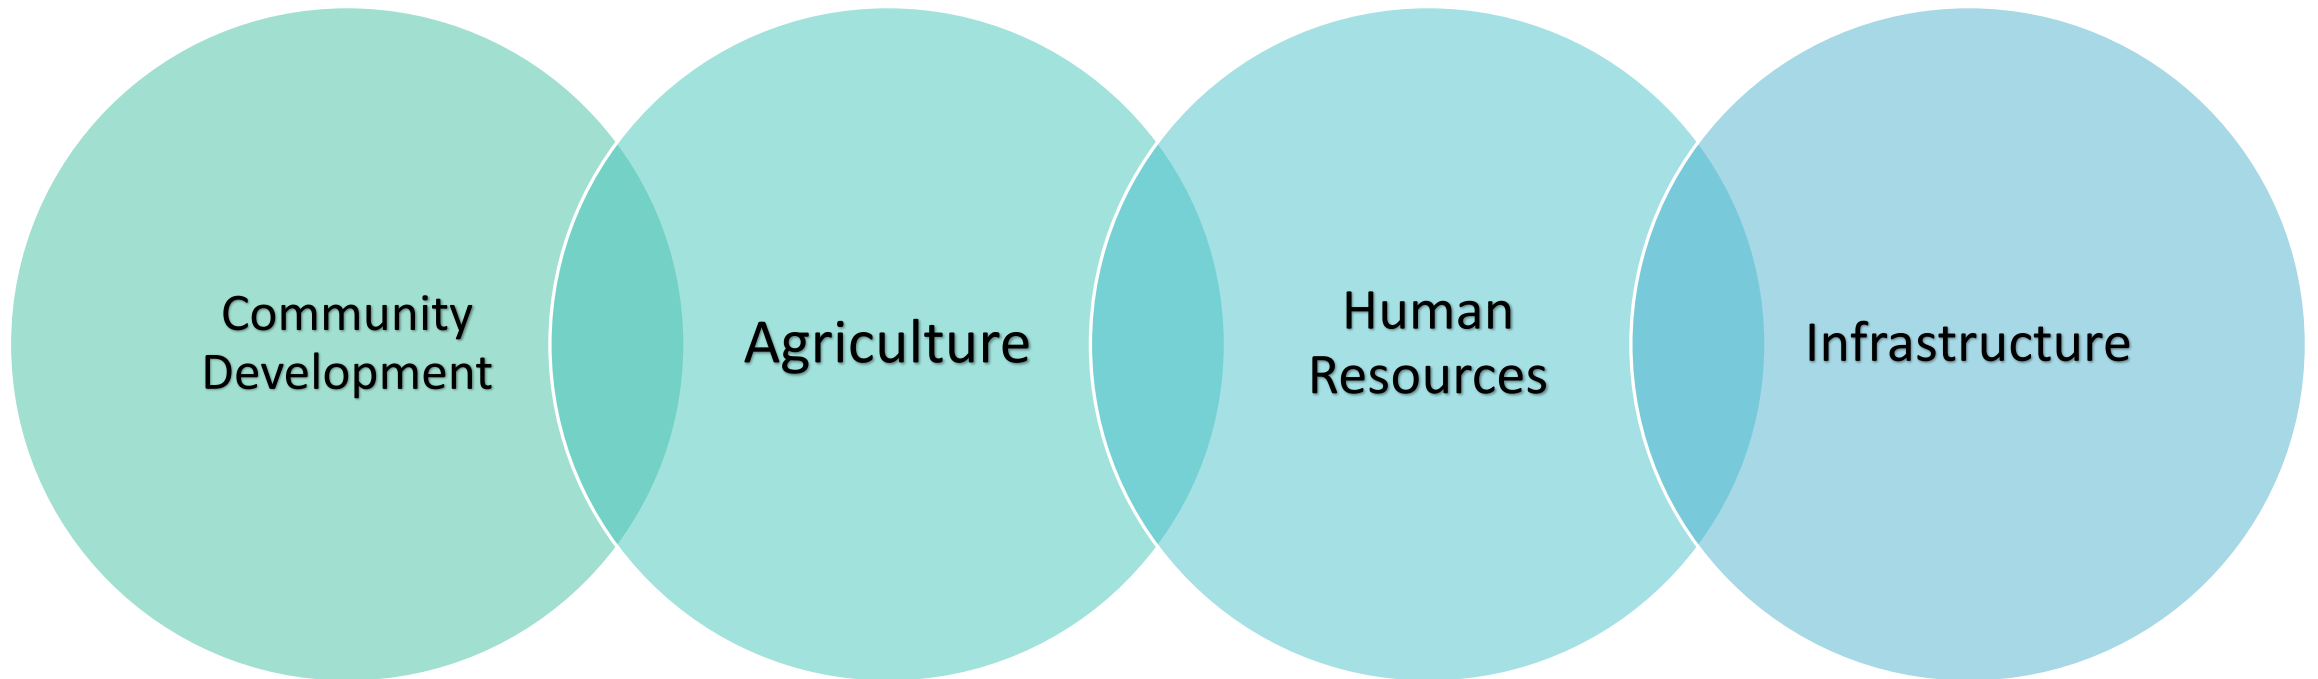

The group was asked to write a letter to themselves, from the future, and describe what life is like in ACW. Groups then shared their letters and highlighted common phrases or words. These words helped to develop the Priorities of ACW.

*Attainable & Affordable Housing • High Speed Internet • Sustainable Community Hubs • Commercial Development
Addition Complete • Community Cohesion through Networks and Education
Improvement Development Policy – Tiny Houses, Multiple Units, including Residential and Agricultural
Office Support Value Added Agricultural Industries • Leadership in Development of Community and Infrastructure
Staff Autonomy and Council Support • Appropriate Resources – Financial, Staff and Space
Role of Council Changed – Community Cohesion/Hub/Connector • Access to Natural Gas • Erosion Control
Housing in Dungannon, Port Albert and Converting Seasonal to Year-Round • Welcoming new businesses including cannabis • Safe Communities
Growth for the Amish Community Opportunities for Bruce Power Employees Reasonably Low Taxes – Value for Dollar • Growing the Municipality
Supporting Community • Staffing in Place / Accommodations • Airport Collaboration*

The most commonly used word is **COMMUNITY**.

Priorities

Through the Visioning Exercise, it was determined that there are four areas identified as Priorities for ACW:

Cultural Values

The Visioning exercise further determined the Cultural values of ACW:

No less important than the Priorities, the Culture Values are the lenses through which the Priorities are viewed.

Strategic Action Items

Within the list of goals that were brainstormed for each Priority, groups were tasked to create a SMART Assessment of a chosen goal.

These are considered the Strategic Action Items.

Development & Agriculture

Create a Community Development Committee

In January 2020, Council will strike a Community Development Committee which would be comprised of a representative from Council, a representative from Staff, as well as one representative from each the agricultural community and the lakeshore community. The

The Committee will facilitate funding opportunities, incentives and explore partnerships to enhance the cooperation between communities.

In the long-term, the Committee will provide the foundation for a 'Coordinator' position to build on the outcomes of the Committee.

Human Resources

Plan for Succession

By June 2020, Departments will identify skills and competencies required for next-generation employees to perform well in key positions. The objective is to prepare individuals to potentially perform those functions.

Staff will be challenged to utilize creative resourcing and staffing, unique to each department, which may include opportunities such as job shadowing, stretch assignments, junior and summer student positions, co-op programs, mentoring and professional development.

Infrastructure

Create a Plan to establish a Commercial Corridor around the Airport

By December 2020, have a plan in place to establish a commercial corridor around the airport, considering possible partnerships and funding.
