

Maintenance Agreement: Class 5 Sewage System (Holding Tank)

CONTRACT AGREEMENT BETWEEN:

Name of Owner _____
Phone No. _____ E-mail _____
Mailing Address _____

Name of Licensed Haluer _____
Phone No. _____ E-mail _____
Address _____

LOCATION OF HOLDING TANK TO BE SERVICED:

Address _____
Lot # _____ Con # _____
Roll No. _____

CONTRACTOR AGREES:

1. To pump out this holding tank at reasonable intervals so that over-filling of tank will be prevented
2. To ensure that the visible or other adequate warning device signifying when the tank is near capacity is functional
3. Pump out opening is suitably sized, capped and equipped with a locking device
4. That all material pumped from holding tank is disposed of in a sanitary manner in a Licensed facility
5. Shall retain all copies of receipts for said discharge

OWNER OR OCCUPANT AGREES:

1. To restrict use of facilities in so far as is practical, to facilitate a systematic servicing by contractors and help eliminate emergency calls
2. To ensure that holding tank is equipped with a visible or other adequate warning device signifying when tank is nearing capacity
3. To provide reasonably adequate access to the holding tank for the contractor's equipment
4. The Building Department must be notified directly of any impending termination of this agreement or change of contractors.
