

100 Radon Test Kit Challenge

Township of
Ashfield-Colborne-Wawanosh

Register now
to receive a
FREE RADON TEST KIT
and test your
home for radon.

All participants are encouraged to attend the Radon Information Session to learn more about the health effects of radon, why it's a concern in this area, and Health Canada recommendations.

It will also include details on where and when to pick up your radon detector.

Only 100 free kits
available!
Register online here:

Free Radon Information Session

Date: Wednesday, November 13, 7pm

Location: online

Radon test kits will be available for pickup during the week after the information session. All details will be sent to registrants.

For more information contact us:
ph: 1-855-722-6777
info@takeactiononradon.ca

Radon levels can vary between neighbouring houses. The only way to know your radon level is to test.

Radon enters a home through contact with the ground and can build up to elevated levels.

Exposure to elevated levels of radon is linked to increased chances of developing lung cancer.

TAKE
ACTION
ON **RADON**

TakeActionOnRadon.ca

Take Action on Radon is a national initiative funded by Health Canada with a mandate to bring together stakeholders and raise awareness on radon across Canada. The current advisory team is made up of the Canadian Association of Radon Scientists and Technologists (CARST) and the Canadian Cancer Society.

This program is provided for free with funding from HEALTH CANADA.
