

BOIL WATER ADVISORY LIFTED

Date: February 27, 2025
To: Huron Sands Drinking Water System users

Notice

You are advised that Huron Perth Public Health has received 2 consecutive satisfactory water results from the Huron Sands Drinking Water System.

For that reason the boil advisory has been lifted. You may resume using your water as you did prior to the advisory being issued.

Thank you for your cooperation.

Dr. Miriam Klassen
MEDICAL OFFICER OF HEALTH
