

# **BOIL WATER ADVISORY LIFTED**

**Date: September 1, 2024**

**To: Benmiller Drinking Water System Users**

## **Notice**

**You are advised that Huron Perth Public Health has received 2 consecutive satisfactory water results from the Benmiller Drinking Water System.**

For that reason, the Boil water advisory has been lifted. You may resume using your water as you did prior to the advisory being issued.

Thank you for your cooperation.
