Monthly Council Meeting Highlights May 2024

Council Meeting | May 7, 2024

Shoreline Zoning By-Law Update

Staff have identified a need to discuss the impact of these changes with the lakeshore community, as well as to identify what Zoning updates are necessary to clarify and improve planning for the lakeshore. Council has agreed to proceed with consultation and preparing an amendment to update the ACW Zoning By-Law regarding shoreline related matters.

Community Onsite Inspection Program – Inspector Request for Proposals

Council accepted a Request for Proposal submitted by EnVision Consultants Ltd. to complete the Sewage System Maintenance Inspections as required by the Community Onsite Septic Inspection Program. EnVision's team has completed various similar programs across Ontario and are well qualified to undertake this assignment based on their experience, technical qualifications, quality assurance practices, and health and safety program.

Portable Toilets in Port Albert

The Port Albert and District Recreational Society (PADRS) and the Port Albert Citizens Association have requested that the Township assume the full cost of the portable toilet rentals at the Port Albert beach from late April until Thanksgiving. Council voted in favour to support the request for the upcoming season at an estimated cost of \$2,050.96 plus taxes.

Council Meeting | May 21, 2024

Saltford Estates Development Agreement

The Township of Ashfield-Colborne-Wawanosh Council authorized the execution of an amended Development Agreement between 2480678 Ontario Ltd. and the Township of Ashfield-Colborne-Wawanosh. This will allow for the development of a Subdivision to be known as Saltford Estates Subdivision

Smyth Municipal Drain

A Notice of Request for Major Drain Improvement for the Smyth Municipal Drain was submitted. Council has accepted the Request, and the Maitland Valley Conservation Authority will be advised of Council's intention to appoint an engineer to examine the area requiring improvement.
