March 2026

Spring! March holds the first day of Spring marked on the calendar for March 20th. Let's keep our fingers crossed that Mother Nature is reading the same Calendar for weather insight, and spring will be in full swing before the end of March.

I have heard the excitement around March Break and the anticipation of being able to join the programming. I am excited to share that during the week of March Break participants of all ages are welcome and encouraged to participate in all of the weeks' programs.

If there are any bridge players who would like to play here at the centre please let me know and I will get it added to the calendar for April.

March 30th wraps up our 2025/2026 SALC Grant year. Many of you are aware that there are some unexpected hiccups we are facing with our 2026/2027 SALC Grant. At this time we are anticipating that everything will work out, and are forging ahead planning programs for the coming months. I would like to say a special thank you to everyone who purchased a 2025/2026 membership.

I look forward to the warm months ahead, as I have some exciting ideas I look forward to implementing.

Keep Moving! Summer will be here before we know it.

Do you also struggle to keep motivated to keep moving during the winter months? We are now offering 2 group fitness classes a week using a method of following prerecorded fitness instruction that will be projected in front of the group (similar to the VHS home fitness videos). Each class will be \$2.00.

Tuesday Afternoons 1:30-2:30pm we will be starting with a 25 min seated yoga.

We will then take a short break followed by doing a 20 minute seated workout routine. This routine will be low impact that will help build flexibility and strength. After personally trying these routines I highly recommend wearing loose/stretchy clothes.

Thursday Mornings 10-11 am we will have Sun Flow Tai Chi. We will be doing two sessions, approximately 20min each, during this session with a short break in the middle. Sun Flow Tai Chi is an easy movement exercise much like standing Yoga.

Let's Eat!

March has 3 lunch offerings. Two are our typical lunches containing a main, side and dessert. \$15.00 for Members and \$20.00 for non-members. Please see Page 5 for information on the March 19 lunch package offer.

March 12 — St. Patrick's Day Special. Wear your Green and join us for Potato Soup, Cabbage Roll Casserole, Rye Bread and Bailey Cheese Cake for dessert. Please RSVP by March 6th.

2026/27 Memberships are DUE!

Memberships are due by April 1st. Membership fees help to keep our programming costs low and affordable for all. During our first year I did not push the memberships as hard to allow everyone a chance to experience the programming. Starting April 1st with the start of the new financial, year you will see some changes to our program costs to provide further benefits to members. This will look more like the lunch cost setup: members will see a lower price than non-members.

These memberships are critical numbers that are required as a part of our funding from the Province of Ontario. The membership covers participants from April 1st, 2026— March 31, 2027. Memberships continue to provide members with access to programs at both the Dungannon and Goderich locations.

If the membership fee will create challenges with your financial situation we have service available to help alleviate that burden. Please see Logan or the team in the office in Goderich. We are continuing the refer a friend program; see Logan for more details.

The 2026/27 membership fee is \$25.00 for the year.
